Dear Herbeque:

Please accept this note of appreciation for the outstanding luncheon you provided to our staff on December 19, 2008. I was fortunate to have had the opportunity to taste your "masterpieces" at a couple of other of functions over the last year and as I expected, the chicken and pork was the best I have ever had. I, as well the CORE staff, was raving about the taste of the food.

Additionally, the professional presentation is second to none. I was most impressed with the presentation and professionalism of Herbeque staff. Many thanks for making our annual luncheon a success.

I would highly recommend Herbeque Catering for anyone seeking great food, pleasant staff, and a professional presentation.

Sincerely,
