

April 4, 2009

Hello Herb;

I just wanted to tell you that I really enjoyed your food the other day at the farmers market. My wife kept telling me how good your food was and boy was she right. The pulled pork sandwiches were tender, juicy and full of flavor and the baby back ribs were outstanding. You have got the gift of barbecue and you should be proud of your cooking talents. I will be sure to stop by your booth the next time I am in the Fort Pierce area. Keep up the good work.
