Re: Eighth grade celebration dance

Dear Herb and Danielle,

Thank you for the job well done in catering our school's 8<sup>th</sup> grade end of the year celebration dance. The professional service and the tasty food made the event a memorable experience. From beginning to end Herbique went far above the call of duty and any expectations. The quality, style, and presentation of your menu were done with style and excellence. I commend you on the magnificent menu from the appetizers to the scrumptious dinner. The students and staff ranted and raved on how delicious the food was especially the egg rolls and meatballs. My compliments to the chef!! You took care of all the details from setting up, serving and picking up with a cheerful and delightful attitude. You made my job easy and painless.

Special thanks for the fantastic job Herbique provided to make our party a huge success. I look forward to working with you, again, in the near future.

Sincerely,

*Michelle Barreto*
