HERBEQUE WAS A HIT!

We Recently Had A Private Home Bar-B-Que Party And Herbeque Was A Hit. We Had Never Had Anything Catered Before So We Weren't Sure What To Expect. I Was So Impressed By The Professional Way They Came In And Took Care Of Everything.

Danielle & Herb Were Some Of The Most Interesting People We've Met In A Long Time. The Food Was-Out-Of-This-World! Mac & Cheese, Pork Ribs, Chicken, Baked Beans, Potato Salad And Corn-On-The-Cob. The Strawberry Shortcake I Kept For Myself, And Believe Me It Was Delicious.

The Party Came Off Very Well And Thanks To Herbeque We've Already Started Planning One For Next Year! See Ya Then!

Thank You So Much For A Wonderful Experience!

Sincerely,  
Bob & Arlene Quattlebaum
