To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Herbeque BBQ Catering Company. I have contracted their catering services and also have been a guest at various events that were catered by them on several occasions. I was extremely pleased not only with their professionalism and service, but their great food! They have an excellent menu selection, fair prices and everything was attractively presented.

I highly recommend Herbeque BBQ Catering for any and all functions. I can assure you from my personal experience that they can meet your catering needs.
