Dear Herbeque:

Herbeque was FANTASTIC, They catered our wedding of 120 people. They went above and beyond to make sure everything went well. The food was on time and hot, their set up and take down was fast and professional, and their buffet looked great in our venue. The food was so good, I think it was the highlight of the wedding for a lot of people.

The only thing I suggest is that you order a lot of food because people will be going up for third and fourth servings once they taste it. I would highly recommend Herbeque for any event, the food is amazing and the staff is the same.

Sincerely;

Steve Taylor
