Dear Herbeque;

I wanted to thank you for the wonderful and delicious food you donated for the Hans Family Benefit on December 5, 2009. Everyone loved the chicken, gourmet salad and coleslaw. Herbeque's food was the first to be finished. Everyone asked who made that wonderful chicken? I did give your business name and phone number to many at the benefit.

The benefit was a success, though the weather did create a few problems for us, we did overcome them. The Hans Family is very grateful for your donation. You helped to provide delicious food to our guests at the benefit who came to support the family.

Thank you again.
